*New trial program for 2018-19

The athletic programs depend heavily on parents' involvement - from the athletic board to volunteers to coaches. The dedication of our parents makes our teams successful. (Due to limited participation by the kids, some programs like cheerleading have combined teams or don't field teams from year to year).

We are using TeamSnap for all athletic registrations. We are working to get online payments working soon. The fees per sport are \$50 for one sport; \$75 for two sports and \$100 for three sports. There is also a \$25 uniform fee per family, which will be waived if you register by Aug 1, 2018. Thus, the maximum per family would be \$125, if your children participate in 3 or more sports and you register after Aug 1, 2018. Any registration questions can be directed to Jeff Curry (curryj@gmail.com).
