

Educational Opportunities • Innovative Solutions • Leadership Excellence

Dear Parents/Guardians,

My name is Mr. Jeff London. I am the school counselor from the Allegheny Intermediate Unit servicing Holy Trinity School.

My job is to advocate for all students by offering services to achieve optimal academic, personal/social, and career development. I will do this through individual counseling, small group counseling, and classroom guidance lessons. In addition, I can provide consultation and support to parents and teachers. I will work to help your child remove any barriers that stand between him/her and a successful school year.

A teacher, parent or the student themselves may refer your child to school counseling. School counseling services are for a variety of reasons such as stress at school, anxiety, changes in behavior, changes in environment, grief, underachievement, etc. Individual and group counseling services require parental consent.

In addition, I will be providing classroom guidance to teach students the skills needed to succeed. Classroom guidance topics include activities in the Personal, Academic and Career domains.

I invite you to look for the monthly Home & School Connection flyer for some helpful tips.

Please feel free to contact me with any questions or concerns. I will be at Holy Trinity School every Wednesday and Friday.

Mr. Jeff London  
School Counselor
