

Curriculum Summary

5th Grade

Overview

We believe that each child is a unique creation of God with spiritual, intellectual and social needs. The 5th grade students continue to be empowered with active and creative minds, a sense of understanding and compassion for others, and the courage to act on their beliefs.

Language Arts

English class centers on improving writing, grammar and speaking, as well as expanding vocabulary and improving spelling. Novels will also be read to improve critical reading and comprehension skills.

Classroom Textbooks & Materials

Textbook Reading & Spelling: Pearson/Scott Foresman Series

Textbook Vocabulary: Sadlier-Oxford Series

Textbook English: Loyola Press Series

What Your Child Will Learn

Literature based reading is taught using small flexible group instruction to meet the needs of diverse learners.

Math

The 5th grade math classes are leveled into accelerated & average groups. The students develop critical thinking strategies as they solve problems that give context to the skills that are taught.
